

Design a Backyard Obstacle Course Using Prepositions

Design your course using the following guidelines:

- Safely use anything within the boundaries of your property.
- The course must have a clear **START** and **FINISH**.
- Include **at least 4** prepositions from the bank below.
- The course must be safe yet challenging.
- Share your obstacle course with your family.
- Use a stopwatch to calculate your personal best
- Be creative! Have fun!
- Share pictures and videos of your obstacle course with your PE teachers.

Preposition Defined:

A preposition is a word or set of words that indicate location or some other relationship between a noun or pronoun and other parts of the sentence.

PREPOSITION BANK

Above	Below	Down	Next to	Over
Across	Beneath	In front of	Off	Through
Along	Beside	Inside	On top of	Toward
Around	Between	Into	Onto	Under
Behind	Beyond	Near	Outside	Underneath

Writing Extension

After designing the course and practicing it several times, have students write out the step by step progression using the prepositions and descriptive words provided.
